

## Welcome

Hello and congratulations on your engagement! Thank you for considering us to host your special day. I would be more than happy to arrange a meeting for you to look around our beautiful pub, but here is some information to get you started...

In the quiet, picturesque village of Darley, in an Area of Outstanding Natural Beauty and dating back to the 18th Century, just a few miles from the elegant spa town of Harrogate, The Wellington is at the foot of the Yorkshire Dales National Park, which has some of the most striking and beautiful scenery in the country. With this as the back drop, you can choose to have your wedding in a traditional pole marquee provided by our friends at The English Marquee Company, or in our spacious dining room and glass room overlooking the garden.

Our talented kitchen team have put together several menu options for you to choose from. We also boast twelve en-suite bedrooms, so you don't have far to go once the bar closes! For your convenience we have our talented and trusted photographer and florist. We believe in supporting local businesses so we are proud to work with 'Paula Beaumont Photography' who lives (and has her studio) in Darley. Also Louise, at 4 Seasons Florist (formally of Cold Bath Road) who lives in Darley and works from her studio in Knaresborough.

Please do get in touch if you have any questions or need any further information. We look forward to seeing you soon!

Hello!

My name's Louise and I'm the florist behind 4 Seasons. I've had my business for 12 years and I have been creating with flowers for over 20 years.

I work from my studio in Knaresborough and travel all over Yorkshire decorating venues with beautiful blooms for weddings and events. Weddings are my favourite bit about being a florist, there's something very special about playing a part in someone's Big Day.

If you'd like to meet for a cuppa to have a chat about your wedding flowers, either at the studio or at the Wellington Inn, then please get in touch, it would be lovely to meet you.
